Cindy Daniel

Pastor Cindy Daniel serves along side her husband, the Rev. Donald A. Daniel as overseers of Expect A Miracle Worldwide Ministries. Their calling is to impact cities for God in the power of the Holy Ghost.

She is the Sr. Pastor at the Expect A Miracle Church of San Antonio. She and her husband are also the Directors of Expect A Miracle Fivefold Ministry School. The school trains, equips, encourages and supports fivefold ministers to fulfill their callings. It is from this school that they are starting Expect A Miracle Churches and other ministries to impact cities.

They have hosted a citywide Pastor's Prayer Meeting weekly for the past fifteen years. She served two years as prayer coordinator for Unity for Africa and the International Conference on Reconciliation.

She hosted intercessors that came together to pray for San Antonio for several years and served three years on the board of advisors for Women's Neighborhood Prayer.

She is on the board of directors of the San Antonio Association of Churches serving as secretary/treasurer and also serves as president of a local women's group in our city over the past year.

She and her husband have traveled to other nations ministering, teaching and training other pastors and leaders in Kenya, Nigeria and Frankfurt, Germany, as part of the Unity For Africa team. Their heart is to minister to ministers. She flows in the gifts of the spirit and is prophetic. She is a preacher, teacher, counselor and ministers wherever the Lord leads her.

In recent days her passion has been to equip the Saints in the understanding of what it means to be filled with the fullness of God. The Lord spoke to her that you can not separate the Father, the Son and the Holy Ghost or His Presence, His Glory and His Power. The Presence represents the Father, the Glory represents

the Son and the Power represents the Holy Ghost. They operate as one. Everything coming from the Father, through the Son and by the Spirit. When we separate them, we limit what He can do in us and through us. It is her desire to see the fullness of God (Eph. 3:19) operating in her and all those who want to be used of God in these last days.

She and Don have six children, three daughter-in-laws, three son-in-laws and fifteen grandchildren and two great grandchildren.
